

# Overview of Role Permissions on the Digital Landing Page

---

Last Modified on 04/28/2019 1:10 pm EDT

## ***Overview of Digital Landing Page Permissions***

**Note:** Adding a TA or STA to your Student Set will not grant that account access to the associated product(s); the TA or STA will still need to register or purchase access to be able to use the Digital Resources for your textbook.

The following table contains a complete list of the permissions Teacher's Assistants, Scoring Teacher's Assistants, and Instructors have on the Digital Landing Page.

	<b>Teacher's Assistant (TA)</b>	<b>Scoring Teacher's Assistant (STA)</b>	<b>Instructor</b>
Can see Student Results tile	Yes	Yes	Yes
Can export student results into a spreadsheet	Yes	Yes	Yes
Can see instructor version of the Getting Started tile			Yes
Can see Instructor Resources tile	Yes	Yes	Yes
Can access Manage Student Sets and add or remove students		Yes	Yes
Can add TA/STA/authorized instructors to the Student		Yes	Yes

Set			
Can remove TA/STA/instructors from the Student Set			Yes
Can update the name of the Student Set		Yes	Yes
Can update the Start and End dates of the Student Set		Yes	Yes
Can access and export student results	Yes	Yes	Yes
Can set a GAU for each activity			Yes
