2. “Check Your Understanding” questions – Multiple choice questions that are marked completed once you choose the correct answer; these count towards your assignment grade
3. Dynamic Data Figures – Interactive charts, graphs, and maps that help you develop data literacy; these are not tracked in the Assignment Overview and do not count towards your assignment grade

MRS. ANNE HUTCHINSON:
What have I said or done?

GOV. JOHN WINTHROP:
[Y]ou did harbor and countenance those that are parties in this faction. . . .

MRS. ANNE HUTCHINSON:
That's matter of conscience, Sir.

GOV. JOHN WINTHROP:
Your conscience you must keep, or it must be kept for you.

GOV. JOHN WINTHROP:
Your course is not to be suffered for. Besides we find such a course as this to be greatly prejudicial to the state. . . . And besides that it will not well stand with the commonwealth that families should be neglected for so many neighbors and dames and so much time spent. We see no rule of God for this. We see not that any should have authority to set up any other exercises besides what authority hath already set up. . . .
