

Joining Student Sets

Last Modified on 07/01/2024 11:12 am EDT

Student Sets allow your instructor to view your results on InQuizitive assignments. Follow the instructions contained on this page to join your instructor's Student Set so that you can share your results in order for your instructor to assign a grade.

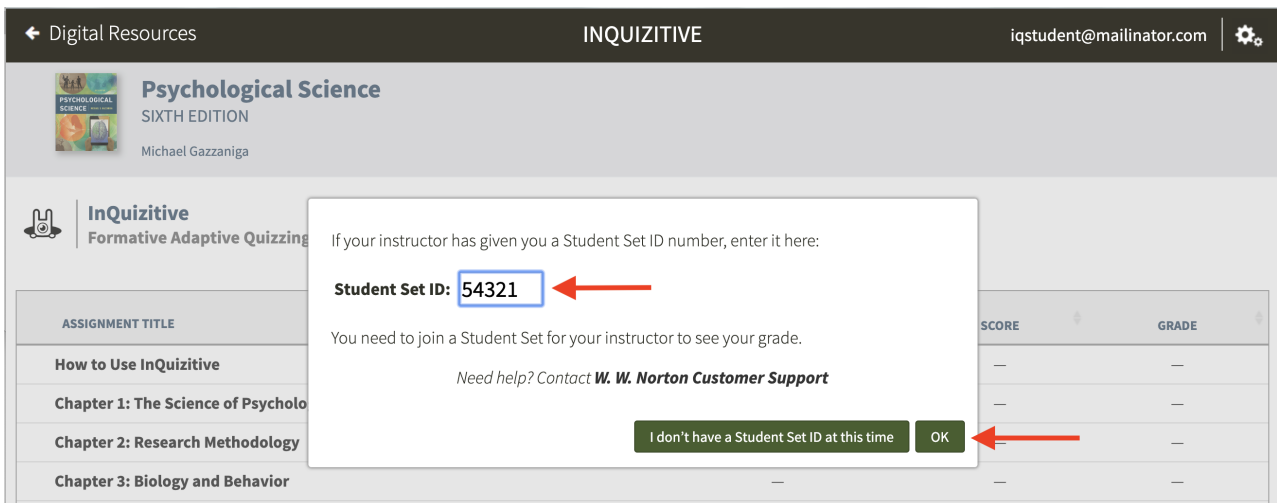

If InQuizitive is integrated within your campus learning management system (Blackboard, Moodle, etc.), you will not need a Student Set ID number; your grades will automatically report to your instructor.

Click on the gear icon in the upper right corner and select Add Yourself to a Student Set from the menu.

The screenshot shows the InQuizitive interface for the course 'Psychological Science, Sixth Edition' by Michael Gazzaniga. The user is logged in as 'iqstudent@mailinator.com'. A gear icon in the top right corner has been clicked, opening a menu with the following options: 'Add Yourself to a Student Set', 'Request Support', 'Help', 'Change Your Email', 'Change Your Password', and 'Sign Out'. A red arrow points from the gear icon to the 'Add Yourself to a Student Set' option. Below the menu, a table lists assignments with columns for 'ASSIGNMENT TITLE', 'TIME SPENT (MM:SS)', 'SCORE', and 'GRADE'. The table contains two rows: 'How to Use InQuizitive' and 'Chapter 1: The Science of Psychology', both with dashes in the time, score, and grade columns.

Type your five or six digit Student Set ID number into the field and click the OK button.

The screenshot shows the InQuizitive interface with a dialog box open. The dialog box contains the text: 'If your instructor has given you a Student Set ID number, enter it here:'. Below this text is a text input field containing the number '54321', with a red arrow pointing to it. Underneath the input field is the message: 'You need to join a Student Set for your instructor to see your grade.' followed by the text: 'Need help? Contact **W. W. Norton Customer Support**'. At the bottom of the dialog box are two buttons: 'I don't have a Student Set ID at this time' and 'OK', with a red arrow pointing to the 'OK' button. The background interface is dimmed, showing the same course information and assignment table as the previous screenshot.

If you are already a member of a Student Set, you will receive the message below:

InQuizitive
Formative Adaptive Quizzing

ASSIGNMENT TITLE	SCORE	GRADE
How to Use InQuizitive	—	—
Chapter 1: The Science of Learning	—	—
Chapter 2: Research Methods	—	—
Chapter 3: Biological Psychology	—	—
Chapter 4: Consciousness	—	—
Chapter 5: Sensation and Perception	—	—
Chapter 6: Learning	—	—
Chapter 7: Memory	—	—
Chapter 8: Thinking, Language and Intelligence	not assigned	—

You are currently enrolled in the following current Student Set(s) for this product:

- 58411: Psychology 101, Section 1 (US_PA: Duquesne University (ID 22860))

To add yourself to another Student Set, enter the 5-digit Student Set ID number here, then click "OK" below:

Student Set ID:

It is usually fine to be in two different Student Sets at the same time. But if you need to be removed from a previously-joined student set, please contact your instructor or W. W. Norton Customer Support.

*Need help? Contact **W. W. Norton Customer Support***

You can add yourself to as many Student Sets as you would like. However, you cannot remove yourself from a Student Set; only your instructor can perform that action.

If you enrolled in the wrong Student Set, enroll in the correct one and notify your instructor of the mistake. Your instructor can then remove you from the incorrect Student Set.

If you joined a Student Set that is not accessible to your instructor, please contact the [W.W. Norton Service Desk](#) to be removed from the incorrect Student Set.
