How do I create a new Student Set?

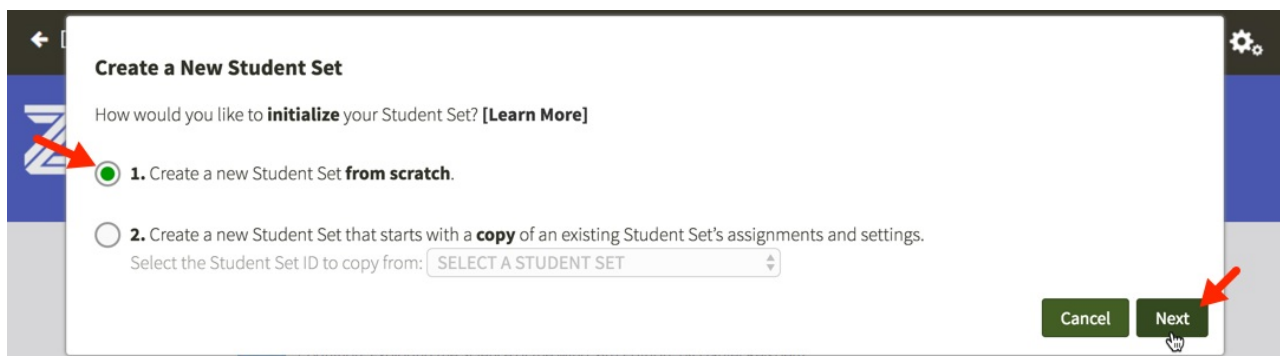

After logging in to ZAPS, click on the gear icon in the upper-right corner and select Manage Student Sets from the menu.

Click the Create New Student Set button.

Option 1. Create a new Student Set from scratch will be selected by default. Click on the Next button.

Enter a title for your Student Set, select your school's state, province, or country from the drop-down menu, begin typing the name of your school and choose it from the list that appears, select start and end dates for the Student Set, and click the Create Student Set button.

Click on the X icon to the right of the student you would like to remove from this Student Set.

How do I delete a Student Set?

If you need to delete your Student Set, please contact your Norton specialist, or open a support[here](#).

How do I copy assignments and settings from one Student Set to another?

If your Digital Resources page includes an InQuizitive tile, you can copy those assignments and settings from one Student Set to another. In relation to the ZAPS labs, you can use either of the processes below to copy Grades Accepted Until dates for the ZAPS labs across Student Sets.

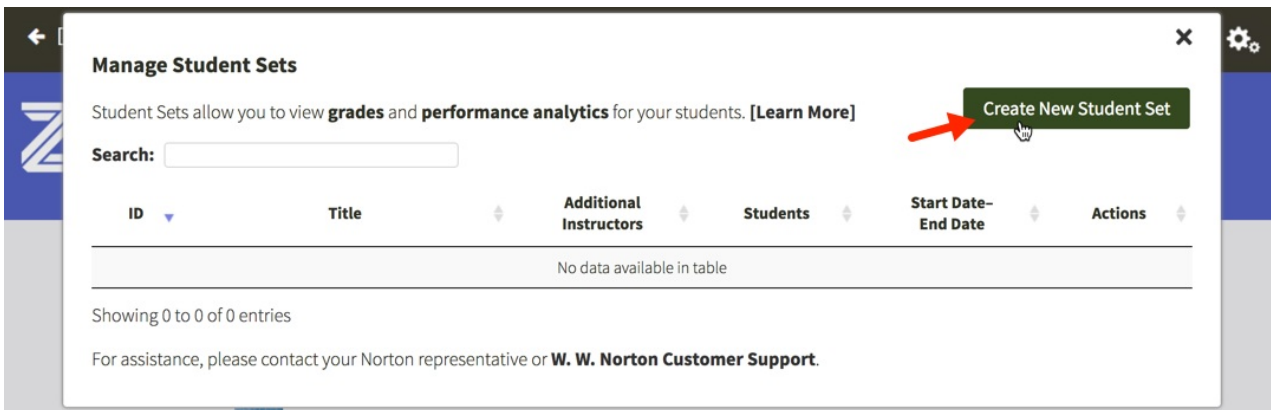

Click on the gear icon in the upper-right corner and select Manage Student Sets from the menu.

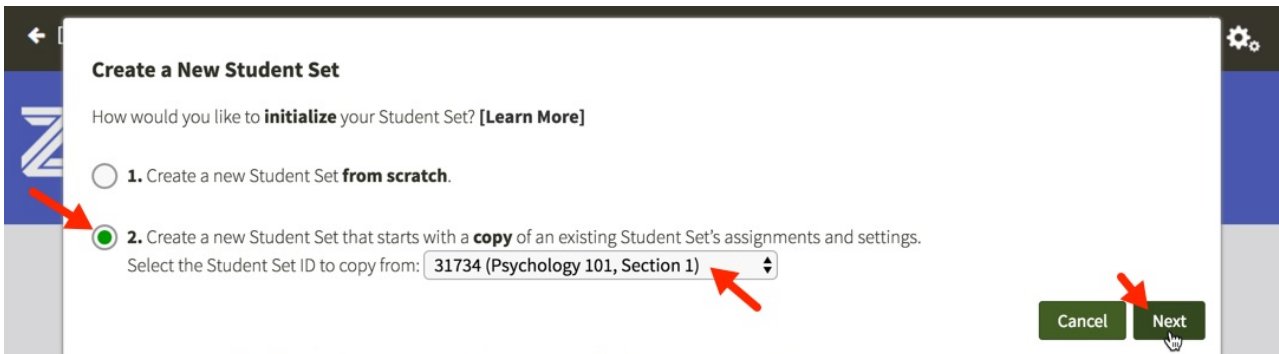

There are two ways in which you can copy assignments and settings from one Student Set to another:

1. Copy Assignments and Settings to a New Student Set

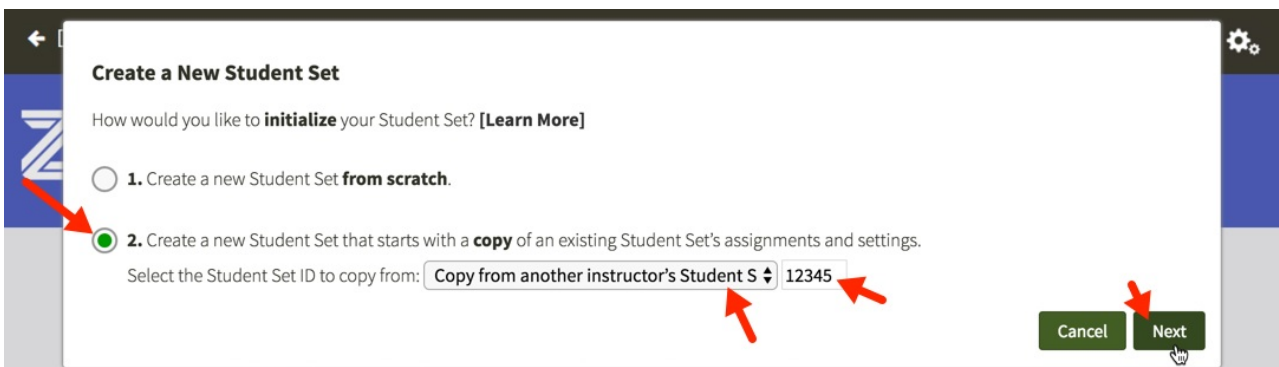

Click on the Create New Student Set button in the upper-right corner.

Select option 2, choose a Student Set from the drop-down menu, and click the Next button.

If you would like to copy the assignments and settings from another instructor's Student Set, select option 2, choose Copy from another instructor's Student Set from the drop-down menu, enter the Student Set ID number, and click the Next button.

1. COPY OF will be added to the beginning of the original Student Set's title. Please feel free to modify the title to fit your needs for this new Student Set.
2. Select your state, province, or country from the drop-down menu and begin typing your school's name into the text field that appears. A list of schools will appear as you type. Select your school from the list or continue typing.
3. Select a Start and End date for this Student Set.
4. If you would like the Grades Accepted Until dates to be copied from the original Student Set, select Yes. All GAUs set in the original Student Set will be copied to this Student Set.
5. You'll be given a brief summary of how many assignments will be copied from the original Student Set. The settings that will be copied include: minimum number of questions to complete each activity, selected learning objectives, and any custom assignments that you created; previous student results will NOT be copied to the new Student Set.
 - a. Since the title used for the screenshot above does not contain InQuizitive activities, the summary is blank since the ZAPS labs do not have settings that will be copied to the new Student Set.
6. Finally, click the Create Student Set button.

You will then receive a confirmation message. Please review the information and if everything is correct, click the Confirm button to create the new Student Set with the copied assignments and settings. If you need to make any adjustments, click the Back button to return to the previous screen.

Please **confirm** the information in your new student set:

- If adding a co-instructor, the person you are adding must have a Norton account with full instructor privileges. For help with this, please contact the [W.W. Norton Service Desk](#).
- If you are adding a scoring teaching assistant or a teaching assistant, this person does not have to have a pre-existing Norton account. In the case that they do not have a Norton account, we will send them an

email with log in instructions once you add them to your Student Set.

- c. **Note:** If you are adding a student as a scoring TA or TA, you are changing their permissions in all Norton products. If they are enrolled as a student in another Student Set, please have them register with a **separate email address** when logging in as a TA or a scoring TA.
- d. Once you give an account a specific level of permission in your Student Set, you cannot downgrade that account to a lower permission level. For example, if you give an account scoring TA access, you cannot downgrade that account to TA access.
