

# Joining Student Sets

Last Modified on 03/13/2026 1:42 pm EDT

Student Sets allow your instructor to view your results for Online Quizzes. Follow the instructions contained on this page to join your instructor's Student Set so that you can share your results in order for your instructor to assign a grade.

If Online Quizzes is integrated within your campus learning management system (Blackboard, Moodle, etc.), you will not need a Student Set ID number; your grades will automatically report to your instructor.

Click on the gear icon in the upper right corner and select Add Yourself to a Student Set from the menu.

The screenshot shows the top navigation bar with 'Digital Resources' and 'QUIZZES'. A gear icon in the top right corner is highlighted with a red arrow, and a dropdown menu is open, showing options like 'Add Yourself to a Student Set', 'Request Support', 'Help', 'Change Your Email', 'Change Your Password', and 'Sign Out'. Below the navigation bar, the page title is 'Quizzes' and the subtitle is 'Reading Comprehension Quizzes on select works from The Norton Int'. A table with columns 'ASSIGNMENT TITLE', 'TIME SPENT (MM:SS)', and 'GRADE' is visible, with one row containing 'Understanding the Genre, Fiction'.

Type your five-digit Student Set ID number into the field and click the OK button.

The screenshot shows the Quizzes interface with a modal dialog box open. The dialog box contains the text: 'If your instructor has given you a 5-digit Student Set ID number, enter it here:'. Below this text is a text input field with the value '60182' and a red arrow pointing to it. Below the input field is the text: 'Your activity results will be saved even if you haven't joined a Student Set. **But unless you're only using the activity for self-study, you need to join a Student Set for your instructor to see your grade.** Once you *do* join a Student Set, your results will instantly be visible in your instructor's activity report.' Below this text is the text: 'Need help? Contact **W. W. Norton Customer Support**'. At the bottom of the dialog box are two buttons: 'I don't have a Student Set ID at this time' and 'OK', with a red arrow pointing to the 'OK' button. The background shows the Quizzes interface with the average grade '84%' and a table with columns 'ASSIGNMENT TITLE', 'TIME SPENT (MM:SS)', and 'GRADE'. The table has several rows, including 'Understanding the Genre, Fiction', 'Sherman Alexie', 'Margaret Atwood', 'James Baldwin', 'Ray Bradbury', 'A. S. Byatt—“The Stone Island”', 'Raymond Chandler—“The Big Sleep”', 'Anton Chekhov—“The Lady with the Dog”', and 'Kate Chopin—“The Story of an Hour”'.

You can add yourself to as many Student Sets as you would like. However, you cannot remove yourself from a Student Set; only your instructor can perform that action.

If you enrolled in the wrong Student Set, enroll in the correct one and notify your instructor of the mistake. Your instructor can then remove you from the incorrect Student Set.

If you joined a Student Set that is not accessible to your instructor, please contact the [W. W. Norton Service Desk](#) to be removed from the incorrect Student Set.
