

Joining Student Sets

Last Modified on 07/03/2024 12:26 pm EDT

Student Sets allow your instructor to view your results for Online Quizzes. Follow the instructions contained on this page to join your instructor's Student Set so that you can share your results in order for your instructor to assign a grade.

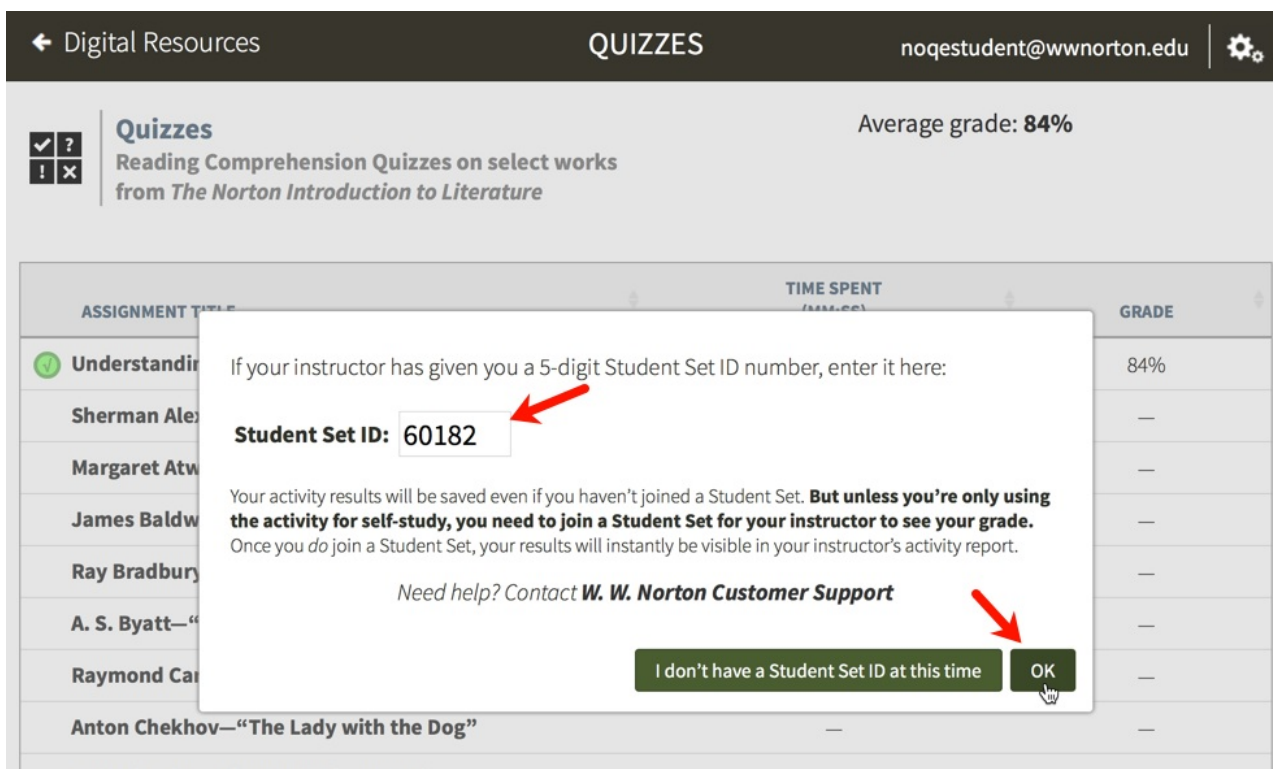

If Online Quizzes is integrated within your campus learning management system (Blackboard, Moodle, etc.), you will not need a Student Set ID number; your grades will automatically report to your instructor.

Click on the gear icon in the upper right corner and select Add Yourself to a Student Set from the menu.

The screenshot shows the top navigation bar with "Digital Resources" and "QUIZZES". Below the navigation bar, there is a "Quizzes" section with a sub-header "Reading Comprehension Quizzes on select works from The Norton Int...". A table is visible with columns for "ASSIGNMENT TITLE", "TIME SPENT (MM:SS)", and "GRADE". The first row shows "Understanding the Genre, Fiction" with dashes in the other columns. A gear icon in the top right corner is highlighted with a red arrow, and a dropdown menu is open, showing options: "Add Yourself to a Student Set", "Request Support", "Help", "Change Your Email", "Change Your Password", and "Sign Out".

Type your five-digit Student Set ID number into the field and click the OK button.

The screenshot shows the same "Quizzes" interface, but with a dialog box overlaid. The dialog box contains the text: "If your instructor has given you a 5-digit Student Set ID number, enter it here:". Below this text is a field labeled "Student Set ID:" with the value "60182" entered. A red arrow points to this field. Below the field, there is a message: "Your activity results will be saved even if you haven't joined a Student Set. **But unless you're only using the activity for self-study, you need to join a Student Set for your instructor to see your grade.** Once you *do* join a Student Set, your results will instantly be visible in your instructor's activity report." Below this message is a link: "Need help? Contact **W. W. Norton Customer Support**". At the bottom of the dialog box, there are two buttons: "I don't have a Student Set ID at this time" and "OK". A red arrow points to the "OK" button.

If you are already a member of a Student Set, you will receive the message below:

You can add yourself to as many Student Sets as you would like. However, you cannot remove yourself from a Student Set; only your instructor can perform that action.

If you enrolled in the wrong Student Set, enroll in the correct one and notify your instructor of the mistake. Your instructor can then remove you from the incorrect Student Set.

If you joined a Student Set that is not accessible to your instructor, please contact the [W. W. Norton Service Desk](#) to be removed from the incorrect Student Set.
