

Testing Integration with your Canvas gradebook

Last Modified on 03/17/2026 1:17 pm EDT

Test integration

1. From your Canvas course, switch to student preview mode using the **View as Student** button or log in to your course with a test student account.
2. Locate the link to the Norton activity and click it.

3. The Norton product launch page or specific activity for the book you are using will open in a new browser tab. You will be prompted to sign, use your Norton instructor account to sign in.

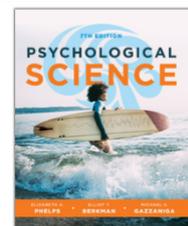

ltistudent@school.edu ⚙️

Chapter 1: The Science of Psychology

Welcome, plochary@wwnorton.com. **You have Instructor access.** What would you like to do?

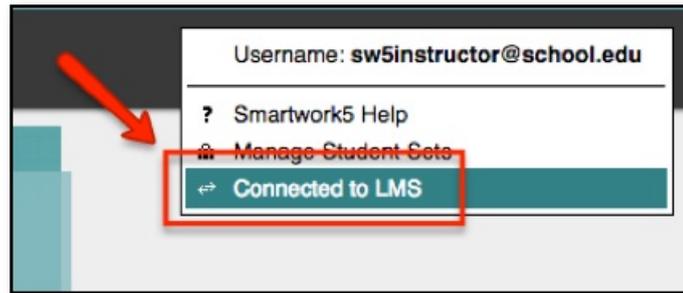

- **View your Class Activity Report**
- **Try this activity** as a student
- View this activity's questions in **review mode**
- **Launch the "How to Use InQuizitive"** activity in a new window
- **See the FAQ** for information about:
 - Detailed InQuizitive instructions and policies
 - How to use InQuizitive with your school's Learning Management System
 - Changing InQuizitive settings

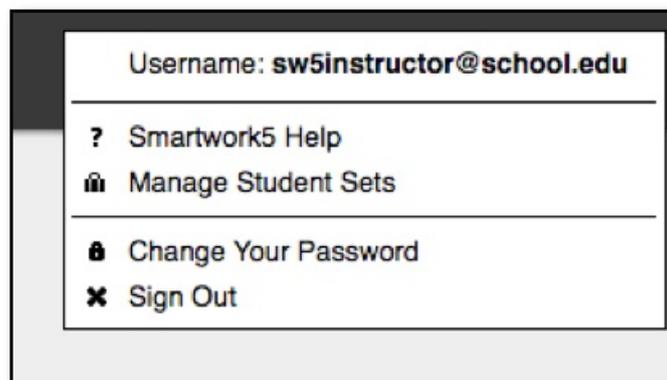

4. On the Norton product page, confirm that you see a green badge labeled Connected to LMS. If instead you see a red LMS Connection Not Made badge, contact your [Norton representative](#) for assistance or go to [Reporting error messages](#) below.

- If using **Smartwork** or **ZAPS** individual activity links, the Connected to LMS notification appears in the user options menu, which you will see by clicking your username in the upper right of the activity page.

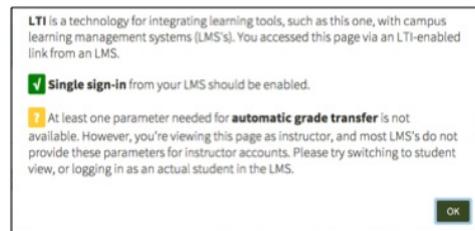

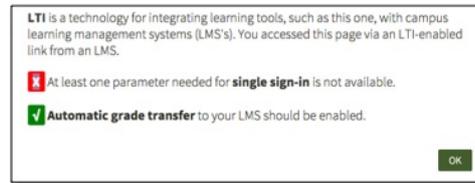

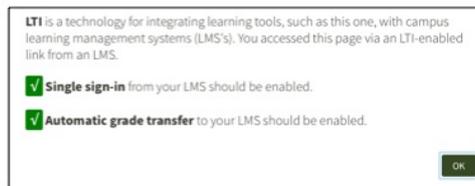

- If you do not see Connected to LMS in the user options menu, contact your [Norton representative](#) for assistance or go to [Reporting error messages](#) below.

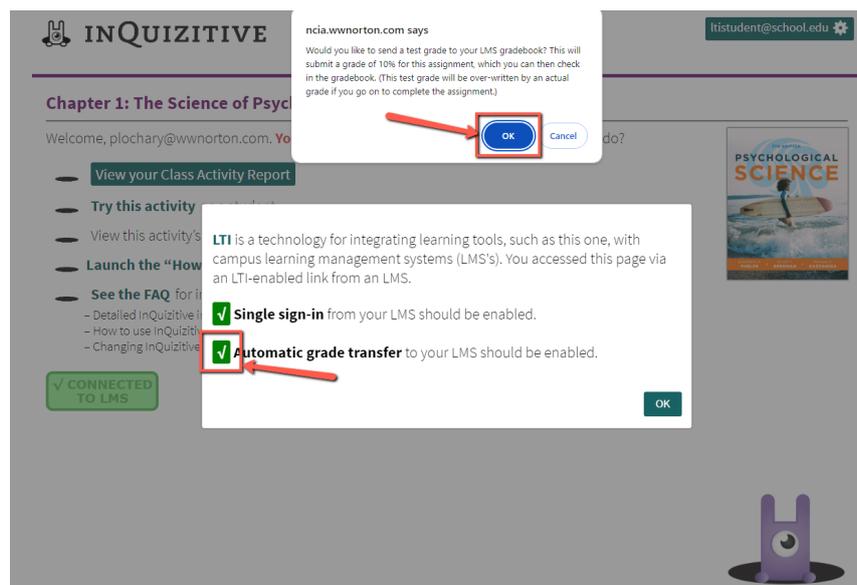

5. If you've added a gradable activity (such as **InQuizitive**, **Smartwork**, or **ZAPS**), click anywhere in the **Connected to LMS** badge (or the Connected to LMS user options menu entry for a **Smartwork** or **ZAPS** activity page) and an explanatory box will appear over the page.

- If you see a red X next to Single sign-in or Automatic grade transfer, contact your [Norton representative](#) or go to [Reporting error messages](#) below.
- If you see a yellow ? next to Automatic grade transfer, close the Norton product tab in your browser and reconfirm that you launched the link from your Canvas course in **Student View** or are using a student account.

6. Click on the green checkmark icon next to **Automatic grade transfer**, then click **OK** in the confirmation message pop-up window to send a test grade back to your Canvas course.

8. Confirm that a Test successful! message appeared below Automatic Grade Transfer. Click **OK** in the box to continue.

LTI is a technology for integrating learning tools, such as this one, with campus learning management systems (LMS's). You accessed this page via an LTI-enabled link from an LMS.

✓ **Single sign-in** from your LMS should be enabled.

✓ **Automatic grade transfer** to your LMS should be enabled.

Test successful! Please check your gradebook to confirm that a grade of 10% was received by the LMS.

OK

9. Switch back to the browser tab with your course and verify the grade appears for the Norton activity in the student's **Grades**

- If you did not see a Test successful! message, or the grade did not appear in the student's grades, contact your [Norton representative](#) or go to **Reporting error messages** below.

PSYCH-101_SEC1 > Grades > Test Student

Grades for Test Student

Arrange By: Due Date (Apply)

Name	Due	Submitted	Status	Score
InQuizitive: Chapter 1: The Science of Psychology Assignments		Aug 5 at 1:04pm		1 / 10
InQuizitive: Chapter 2: Research Methodology Assignments				- / 10

10. Close the browser tab with the Norton product launch page.

11. You should now exit student view or log out of the student account. The link is ready for use by your students. [Click Here](#) for additional instructor suggestions.

63 You are currently logged into Student View

Resetting the test student will clear all history for this student, allowing you to view the course as a brand new student.
