

Testing integration with your Blackboard Ultra course gradebook

Last Modified on 03/13/2026 2:14 pm EDT

Test the integration with your course gradebook

1. Select Student Preview

2. Select Start Preview

3. Select a gradable activity link with points assigned to it.

4. Launch the LTI link.

5. If you are prompted to sign in, use your Norton instructor account.

6. On the Norton product page, confirm that you see a green badge labeled "Connected to LMS".

confident you are, getting questions right at a high confidence level will speed up your progress through the activity.

- Not sure about the answer? InQuizitive includes **ebook page numbers** or other references to review the material.
- You can leave the activity at any time. Your progress is **automatically saved**.

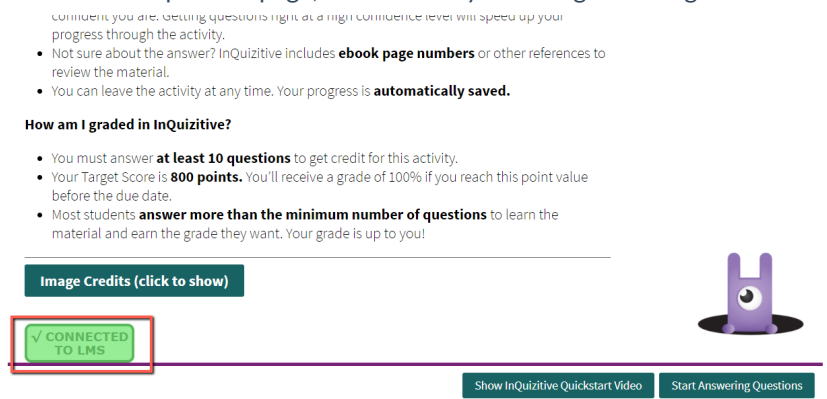

How am I graded in InQuizitive?

- You must answer **at least 10 questions** to get credit for this activity.
- Your Target Score is **800 points**. You'll receive a grade of 100% if you reach this point value before the due date.
- Most students **answer more than the minimum number of questions** to learn the material and earn the grade they want. Your grade is up to you!

✓ CONNECTED TO LMS

Show InQuizitive Quickstart Video Start Answering Questions

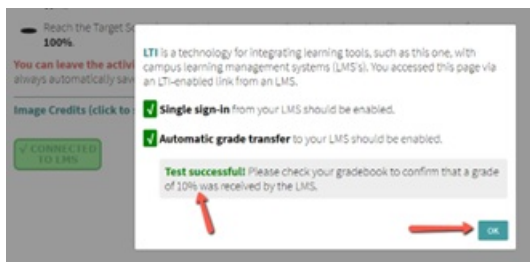

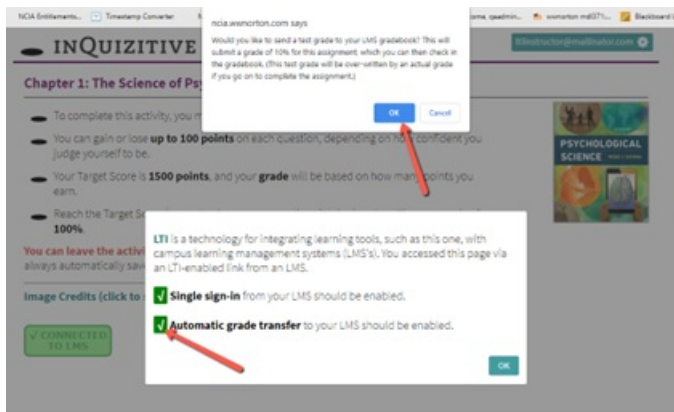

A screenshot of the Norton InQuizitive interface. It shows a purple cartoon character on the right. At the bottom left, there is a green badge with a checkmark and the text 'CONNECTED TO LMS'. Below the badge are two buttons: 'Show InQuizitive Quickstart Video' and 'Start Answering Questions'.

7. If you are using Smartwork or ZAPS individual activity links, the "Connected to LMS" notification appears in the user options menu which you will see by clicking the gear menu in the upper right corner of the activity page.

8. If you do not see "Connected to LMS" in the user options menu, or if the resource failed to launch at all, contact your [Norton representative](#) for assistance.

9. If you've added a gradable activity (such as InQuizitive), click anywhere in the Connected to LMS badge (or the "Connected to LMS" user options menu for a Smartwork or ZAPS activity page) and an explanatory box will appear over the page. You should see green checkmarks next to "Single sign-in" and "Automatic grade transfer."

10. Click on the green checkmark icon next to Automatic grade transfer, then click OK in the confirmation message pop-up window to send a test grade.

11. Confirm that a "Test Successful" message appears below Automatic Grade Transfer.
12. Click OK and switch back to the browser tab with your course and click on Gradebook. Verify a grade appears for the Norton activity in the student's gradebook.

Item Name	Due Date	Status	Grade	Feedback
InQuizitive: How to Use InQuizitive 1 attempt submitted		Graded	10 / 100	
Norton Illumine Ebook: Chapter 1: The Science of Psychology		Unopened	-- / 100	

- If you did not see a "Test Successful" message, or Not graded did not appear in the student's grades, please double-check that you opened the activity while in Student Preview mode.

13. Close the Norton browser tab.
14. Click the Exit button and select Discard from the Exit Student Preview popup menu.
15. The link is ready for use by your students.

Reporting error messages

Please take a screenshot and/or copy the text from the error message and contact [W. W. Norton Customer Support](#) for assistance. A support specialist will contact you to assist with further troubleshooting.
