

Setting up your Norton course in D2L/Brightspace through VitalSource

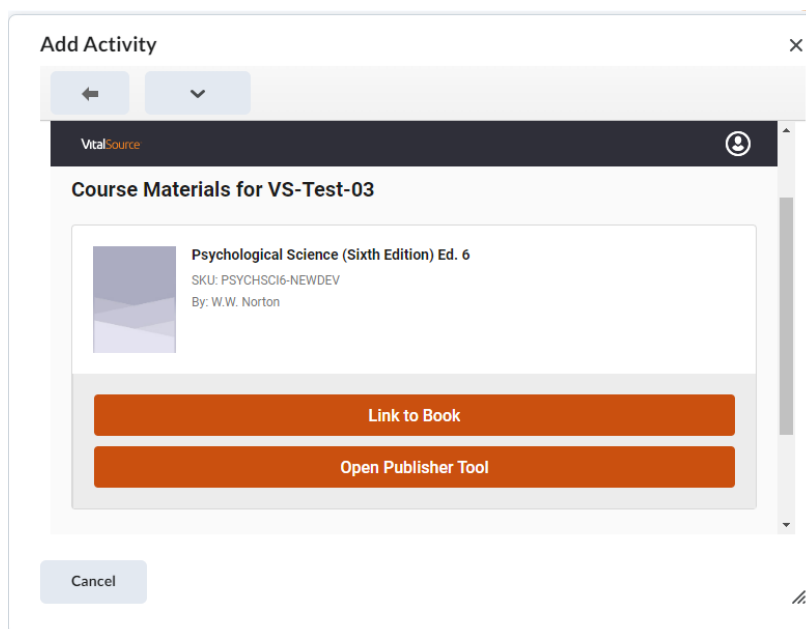

Last Modified on 11/20/2024 11:07 am EST

Step 1: Setting up your Norton course:

1. From the D2L/Brightspace course, add a module to the course where you can add links. From the module, click on Add Existing Activities and select VitalSource DLT 1.3 from the drop down menu

2. Launch the VitalSource tool
3. You will see the Norton text and courseware that has been paired with your course. If your course pairing is not complete, reach out to your bookstore.

4. Click the **Open Publisher Tool** button
5. Log in using the email and password tied to your Norton account. If you don't have a Norton account yet, reach out to your Norton rep for help.

2. Click the **Review** button at the bottom of the screen

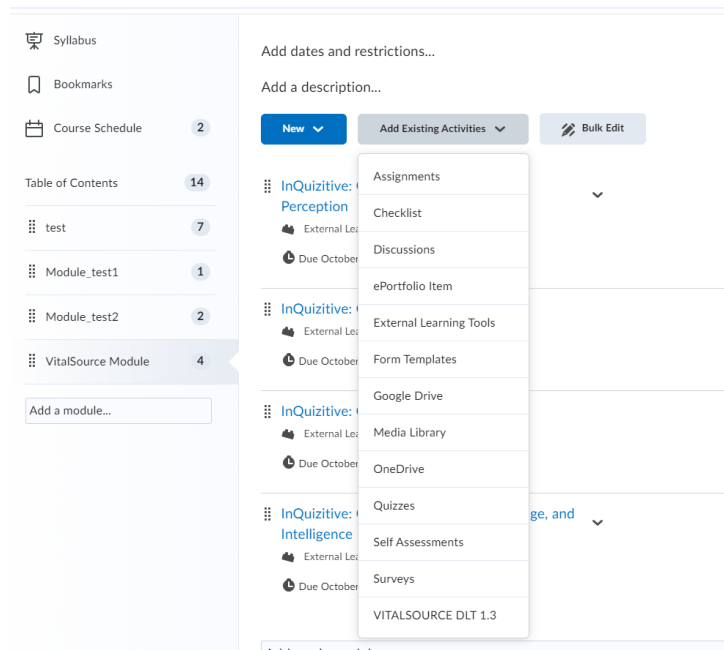

3. You'll see a summary of the links you selected. Confirm, and click the **Send to the LMS** button
4. When complete, the modal will close, and you will see the content in your D2L/Brightspace course module. You can reorganize or regroup your content in D2L/Brightspace so that your course is laid out the way you want.

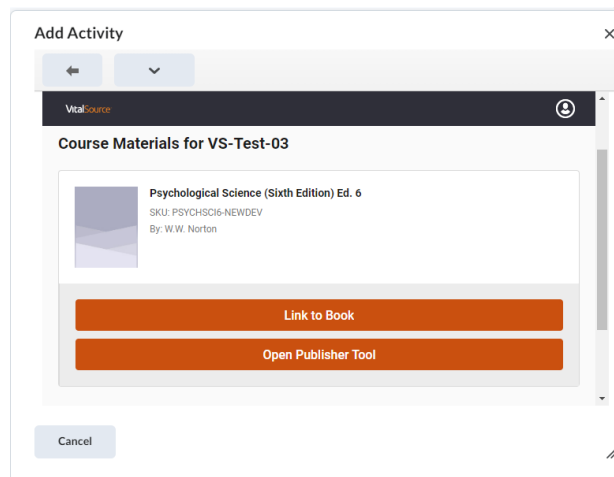

Step 3: Relaunching deep linking tool:

You don't have to select all your links at once. You can launch this tool from your D2L/Brightspace course to add additional links throughout the semester.

1. From a D2L/Brightspace Module, click on Add Existing Activities from the module and select VitalSource DLT 1.3 from the drop down menu.

2. Click the **Open Publisher Tool** button

3. Follow the steps listed above in **Step 2: Adding deep links to course material**

- a. Note that the tool will indicate which links you have already added to your course
