Instructor Experience

1. Before you begin, your administrator must work with ClassLink and W. W. Norton to enable integration for the adopted Norton products.
2. From your ClassLink portal, locate the **W. W. Norton** app. (*Please note: your portal layout may vary.*)
3. Click the **W. W. Norton** app to open and access your course material(s).

4. **Single Course:** If you are teaching only one course, launching the **W. W. Norton** app will automatically sign you into the Norton course material with full access to all content.

5. **Multiple Courses:** If you are teaching more than one course, launching the **W. W. Norton** app will prompt you to select the appropriate course eBook.
6. Click the eBook title (hyperlink) to be automatically signed into the Norton course materials with full access to all content.
